Norfolk Chamber Moves for Bi-  
Weekly Service to Rap-  
pahannock.

## TENNIS CHAMPIONS PRACTICE

Brains of Confederate Soldiers  
Perfect After Many  
Years.

(Special to The Times-Dispatch.)  
NORFOLK, VA., May 2.—The brains of a Confederate soldier, who was buried in 1863 and which appear to have undergone no change since, are in the possession of H. Graham Roban, of Norfolk, who says he will send them to the Smithsonian Institute. The brains are those of Sergeant Derrick, who was buried near Morristown, Tenn. Roban was employed by W. B. Tate Camp, Confederate Veterans, of Morristown, to exhume the body, which they desired buried in the cemetery at Morristown. In doing this he discovered the condition of the brains and in the interest of science determined to send them to the Smithsonian. The skull which contained them fell to pieces when exhumed.

William Larned, Holcombe Ward and Beales Wright, who will play in England shortly for the tennis championship of the world, are practicing here and to-day played a match on the Greenway Tennis Club court. They are expected to play here daily until they are to sail for England.

**PLUMBERS' STRIKE.**  
The union plumbers here all went on strike to-day. The strike is said to be due to the fact that the "open shop" system was inaugurated by employing plumbers here sometime ago, and the number of non-union men employed has grown large. The strikers also want wages advanced from \$3.25 and \$3.50 to \$4 daily for eight hours. Master plumbers say that they last year voluntarily reduced the number of hours of work from nine to eight without any reduction in pay. They will resist the new demand to the end, and anticipate that their business will suffer little by reason of the strike.

The bark Baltimore recently libeled here by Vincent Canace for an alleged debt of some \$7,000 will be sold by the United States marshal Monday, May 8th, at noon. Her Baltimore owners refused to give bond and hence the sale.

**TO COAL AT SEA.**  
The United States collier Marcellus completed coaling this afternoon and proceeded seaward to join the battleship Illinois. Together they will go outside and test a new system of coaling at sea.

Norfolk police have been asked to try to locate John Davis Johnson, a youth who, it is stated, left Covington, Va., February 22d and is believed to be hereabouts. It is stated in the letter that something of value to the wanderer will be told him if he can be found.

**BI-WEEKLY BOATS.**  
Norfolk Chamber of Commerce having asked the Weems Line of steamers, to again put on a bi-weekly service between Norfolk and Rappahannock River points, which service has been reduced to weekly sailings, president of the line, Willard Thompson, wrote the Chamber of Commerce intimating that the patronage of the Norfolk business houses was not sufficient to enable the line to run two steamers a week with profit. The Chamber, therefore, decided to call a meeting of the business men interested and ascertain whether they can give the line enough business to justify it in increasing the sailings to two each week.

The Northside Richmond, has leased recently chartered a tugboat, company, will reopen and operate the Lambert's Point Knitting Mills here, which have been idle for some time. President Ralph Riddleberger reports that the mills will manufacture underwear and will employ about 350 hands.

## A NEW CANDIDATE.

## A Forest Fire Destroys Much Timber in Spotsylvania.

(Special to The Times-Dispatch.)  
FREDERICKSBURG, VA., May 2.—Interest in the legislative contest here has been increased by the probable candidacy of Mr. G. R. Swift, a prominent young attorney, of this city. His friends here and in Spotsylvania county, will probably endeavor to induce Mr. Swift to become a candidate for the Democratic nomination.

The announcement that former delegate D. B. Dewar, Jr., of Caroline county, will not be a candidate for the Democratic nomination for the House of Delegates, from that county, was premature. Mr. Dewar's statement that he has not reached a decision in the matter and may announce his candidacy later. Mr. A. P. Thornton, who has accepted a position with the Southern Biscuit Works at Richmond, has resigned as one of the real estate assessors of this city, and Judge A. T. Embury has appointed Mr. A. D. Tuckett to fill the vacancy.

A forest fire, which originated a few days ago on the Catherine Furnace tract in Spotsylvania county, raged several days and destroyed a large quantity of timber, fences, etc. Thirty or forty people fought the fire day and night until it was finally subdued.

Fire Sunday night destroyed the residence of Robert Lawson, near Borea, in Stafford county. The fire was caused by the explosion of a kerosene lamp. All of his furniture was burned, including a number of valuable books, and the occupant himself, who is ninety years old, barely escaped the flames.

Rev. H. H. Barber, rector of Trinity Episcopal Church, this city, left last night by steamer for Kilmarnock, in Lancaster county, to attend the Rappahannock Convocation, which opens at Grace Episcopal Chapel, at that place,

## WOULD KICK AND SCREAM

Baby's Awful Suffering from Eczema  
— Could Not Hold Her — Tore  
Face and Arms Almost to Pieces —  
Grateful Mother Says:

## "CUTICURA REMEDIES SAVED HER LIFE"

"When my little girl was six months old, she had eczema. We had used cold creams and all kinds of remedies, but nothing did her any good; in fact, she kept getting worse. I used to wrap her hands up, and when I would dress her, I had to put her on the table, for I could not hold her. She would kick and scream, and when she could, she would tear her face and arms almost to pieces. I used four boxes of Cuticura Ointment, two cakes of Cuticura Soap, and gave her the Cuticura Resolvent, and she was cured, and I see no traces of the humor left. I can truthfully say that they have saved her life, and I should advise any one suffering as she did, to give Cuticura a fair trial. Mrs. G. A. Conrad, Lisbon, N. H., Feb. 7, 1898."

## FIVE YEARS LATER Mrs. Conrad Writes

"It is with pleasure that I can inform you that the cure has been permanent. It is now six years since she was cured, and there has been no return of the disease since. I have advised a lot of friends to use Cuticura in all diseases of the skin."

Instant relief and refreshing sleep for skin-tormented babies, and rest for tired, fretted mothers, in warm baths with Cuticura Soap and gentle anointings with Cuticura Ointment, the greatest skin cure. This is the purest, sweetest, most speedy, permanent, and economical treatment for torturing, disfiguring, itching, burning, scaly, crusted and pimply skin and scalp humors.

on Wednesday, to continue three days. Judge John T. Goolrick, of this city, wrote Admiral George Dewey a few days ago in reference to the burial place of John Paul Jones and has received a letter in response, in which the admiral refers in tender terms to the death of General Fitzhugh Lee, who was his warm friend.

## ARTILLERY FORCES.

## Saloons Now Close in Newport

(Special to The Times-Dispatch.)  
NEWPORT NEWS, VA., May 2.—The transient summer arrivals at Point Comfort to-day with one thousand artillerymen to participate in the army and navy maneuvers at Fort Monroe next month. A portion of the army force will be stationed on old Fort Wool, known as the Rip-Raps, which was started in the forties as an artillery post, but never finished because of the difficulty in securing a stable foundation for the stone walls. The fort has been installed, there to participate in the war game. The armored cruiser Pennsylvania is now at the fort, coaling, preparatory to joining the fleet on its tour to-day. The new saloon ordinance, requiring all places where liquor is sold to close at midnight, went into effect to-day. Only about 1,200 of the 4,000 registered voters here have qualified themselves to vote in the fall election and approaching primaries by paying their poll taxes.

## RAID IN RADFORD.

## Police Find Much Property and Make Several Arrests.

(Special to The Times-Dispatch.)  
RADFORD, VA., May 2.—Sergeant McNeal, Mayor Lindsay, assisted by Policemen Dues, Beller, Ake and Hoop, made a raid on the house of Ben Huston, colored, last night, and found about one hundred dollars' worth of tin and other stuff stolen from the Norfolk and Western.

A negro woman, arrested for shooting and fired upon Officer Dues, scorching his eyebrow. He was captured and jailed to-day.

## Wrestlers Come to Blooms.

(Special to The Times-Dispatch.)  
NEWPORT NEWS, VA., May 2.—At the Casino Theatre, a wrestling match, featherweight champion wrestler of the world, and Kid Kehoe, a Brooklyn lightweight, wrestled for the title. Neither man secured a fall. Somerville easily proved himself to be the cleverer of the two men, but his opponent was not without a few good points. The match was on twenty minutes the men came in blows and had to be separated by the attendants and referees. The crowd was with Somerville from the start.

## PETERSBURG GRAYS COMING

Plan to Fight Liquor Along Educational Lines Instead of Prohibition.

(Special to The Times-Dispatch.)  
PETERSBURG, VA., May 2.—Dr. William E. Harwood, of this city, grand commander of Virginia, has appointed the following representatives from the Grand Camp to attend the funeral of General Fitzhugh Lee: Past Grand Commander, 8th Battalion, of Petersburg; Past Grand Commander George C. Christian, of Richmond; Past Grand Commander Thomas W. Smith, of Suffolk; Past Grand Commander E. M. Henry, of Norfolk; Past Grand Commander Hugh R. Smith, of Petersburg; Past Grand Commander Maury, of Richmond. Dr. Harwood and Captain Thomas Elliott, of Richmond, adjutant general of the Grand Camp, will also represent the organization. Orders from Captain Moody, of the Petersburg Grays, were issued this afternoon for the assembling of the company at half-past 5 o'clock Thursday morning to attend the funeral.

## FIGHT LIQUOR.

An educational campaign against liquor is the present plan of the Petersburg Anti-Saloon League, which proposes not to emphasize prohibition, but to imbue and impress public opinion with anti-liquor principles by means of public meetings to be addressed by well known temperance speakers, with the object of securing both State and municipal legislation, rightly and reasonably restrictive of the liquor traffic. Local candidates for the State Senate and House of Delegates will be asked to explain their views and dry views, according to tastes. Senator Littlefield, of Maine, will be invited by the league to explain in Petersburg the operation of the Maine liquor law.

## WELL KNOWN ADVOCATES.

Among well known temperance advocates expected to address public meetings this summer are the Rev. Dr. G. W. Young, of Louisville, Ky.; Rev. George Stuart, who conducted a series of very successful temperance meetings here several years ago, and Rev. Dr. W. H. Atwill, of Danville, Va. The officers of the league are Rev. Dr. W. C. Taylor, of the First Baptist Church, president; Rev. Dr. Wells, of the Second Methodist Episcopal Church, secretary, and Mr. James H. Gray, of High Street Methodist Episcopal Church, treasurer.

Thirty-five liquor licenses applications were granted by the Hastings Court yesterday and Monday, the dates appointed by the court for transacting that business.

## POEM PRESERVED.

A handsome marble tablet, upon which will be engraved the poem, "Thou Art Crumbling to the Dust, Old Peter," will be presented to the Ladies' Memorial Association by Mr. Charles R. Walsh, of the Charles M. Walsh Marble Works, and placed in Old Blandford Church, where the words of the beautiful poem were written upon the walls many years ago by an unknown author, supposed to be a poet, an Irish actor, who visited Petersburg about 1840.

A youthful scholar, recently asked to write the names of three places of interest around Petersburg, compiled as follows: "The Crater, the Jonquil farm and Richmond."

## TWO NEW BANKS.

It is reported that Sussex county is soon to have two new banks, a national bank at Jarratt, with Dr. O. C. Wright as president, and a savings bank at Stony Creek, with John B. Jarratt as president.

## THE NEW PETERSBURG DIRECTORY.

The new Petersburg directory, prepared by the Hill Company, of Richmond, is being delivered to subscribers. The book is most favorably commented upon.

## OPEN CAMPAIGN.

Splendid Educational Rally in Isle of Wight.

(Special to The Times-Dispatch.)  
WINDSOR, VA., May 2.—The campaign of education was begun at Isle of Wight Courthouse yesterday by a rousing meeting in the interest of education. The courthouse was filled with an interested and enthusiastic audience, many ladies being present. Addresses were made by Dr. Gavin Rawls, superintendent of education, and R. H. Bennett, of Randolph-Macon College, and Mr. W. S. Holland, of Windsor. All of the addresses were of a high order, and aroused the audience to a high pitch of enthusiasm. A resolution was passed by acclamation, calling upon our representative in the next Legislature to introduce and have passed a bill authorizing the supervisors of Isle of Wight county to levy a special capitation tax of one dollar for public school purposes.

Great good will no doubt result from this meeting. It is the intention of Superintendent Rawls to follow this meeting up by neighborhood meetings in every section of the county, when able speakers will carry the subject of education to the very homes of the people.

## GAMMA ALPHA.

Young Ladies Give Delightful Reception to Cadets.

(Special to The Times-Dispatch.)  
WAYNESBORO, VA., May 2.—One of the most delightful social events of the Easter season was the reception given Saturday evening at the Valley Seminary by the young ladies of the Gamma Alpha Literary Society to cadets of the Fishburne Military School.

Winsome lassies, floral decorations and the best of refreshments combined most effectively to inspire the youthful guests with those feelings said to belong particularly to the season. The reception rooms were beautifully decorated in the society colors—yellow and white—tastefully blended with the season's wild flowers. A variety of delicious refreshments added much to the enjoyment of the evening.

The officers of the society are Miss Mattie Guy, of North Carolina, president; Miss Della Crouch, of West Virginia, vice-president; Miss Viola Montith, of Virginia, secretary; Miss Grace Thomas, of Virginia, treasurer.

## A CASE OF IT.

Many More Like It In Richmond.

The following case is but one of many similar occurring daily in Richmond. It is an easy matter to verify its correctness. Surely you can not ask for better proof than such a conclusive evidence.

C. Graffam, brick work contractor, of 807 Beverly Street, says: "If all sufferers from backache could be induced to believe that Doan's Kidney Pills will absolutely stop it, there would be considerable less suffering in the city of Richmond. Doan's Kidney Pills procured at Owens & Minor's drug store proved extremely valuable in my case. I have been annoyed for years with dull aching in the small of the back, at times so severe that I could scarcely attend to work, despite the fact that I used a great many preparations. The profuse action of the kidney secretions greatly annoyed me at night, robbed me of considerable sleep and often compelled me to get out of bed in the morning poorly prepared to commence the next day's duties. Less than two weeks' use of Doan's Kidney Pills very successfully cured me over a very severe attack. This should be of untold value to residents of Richmond. For sale by all dealers. Price 60 cents. Foster-Milburn Co., Buffalo, N. Y., sole agents for the United States. Remember the name—Doan's—and take no substitutes."

## MANASSAS WITHOUT A SINGLE BAR ROOM

An Orgie Saturday Night and Drunken Negroes Give Trouble.

MANASSAS, VA., May 2.—Manassas is without a licensed bar-room. The temperance majority in the Town Council have succeeded in their fight against the whiskey business and with the expiration of liquor licenses on the last day of April, Manassas became a dry town. The town is likely to remain dry while the present council is in office.

All the bars did a rushing business Saturday night. Leary & Bro., sold their entire stock of liquors at public auction. Drinks were sold to the highest bidder and late Saturday night drunken negroes and police men in disorder in the town. A police man John Reitor, was painfully hurt by being hit with a brick in an endeavor to arrest several negroes who were fighting. Several shots were fired at Mr. Reitor by the negroes, but fortunately they all went wild of their mark. Mr. Lynch went to the assistance of Mr. Reitor and he was also injured by the negroes, who made their escape.

Rev. M. A. Ashby, of Shenandoah, Va., preached a midday sermon on temperance here last night in the German Lutheran Church. Mr. Ashby not only advocated the open saloons but also claimed his right to drink in moderation "that which God had made to be drunk."
